

Moorside News 26th June

Thank You

We would like to extend a great big 'thank you' to everyone who attended the summer fair. It was a great night which raised funds for school, some of which is being used to pay towards the the new play area for Reception children. We would like to thank everyone who helped to tidy up at the end, but our biggest thanks goes to MOORFS for their hard work in the weeks before the event and on the night.

Reception Playground

We are very please with how the project to re-develop the Reception playground has turned out. However, we are disappointed by the length of time it has taken the company to remove surplus materials. However, we do hope to be able to open the area on Tuesday next week. Parents and children will also then be able to start using their normal gate at the beginning and end of the day.

Tiny Treasures Nursery

In a recent newsletter, we mentioned that a local nursery was planning to open provision on our school site in the area previously used by Moorside Pre-School. We are pleased to confirm that Tiny Treasures plan to open at Moorside in September and offer places from 8am-6pm fifty one weeks a year. we look forward to a positive and fruitful partnership working with them. **Check the times**

Photographs and School Website

We are starting the process of re-developing our website. On Monday we have a professional photography in school taking shots of children engaged in different leaning activities around school. Children will only be included in photographs if you have given permission for the three categories of use: local media, website and Facebook.
