

Moorside News 13th July

We are almost at the end of the school year. Over the last few weeks, it has been lovely to see so many parents visiting school for different events, whether that be sports day, Reception's afternoon tea, soup-making in Y2 or for the summer musical.

Congratulations and Thank You

Every year, we involve the children in a wide range of sports both in and out of school. Our involvement ranges from giving children the chance to have a go and try something new, right through to elite level competitions for those children who want that experience. With that in mind, we often take multiple teams to events. Most recently, our cricket teams have been very active. Both our girls' and boys' team won the district tournaments and made it to the quarter final in the county cup tournament. I would like to thank all our staff who have helped to provide these opportunities for children, particularly Mr Piction and Mr Cheal. I would also like to thank all the parents who helped with transport to and from the events.

KS2 Summer Musical

We would like to congratulate all our brilliant cast of this year's production of Grossbusters the Musical. All the children were amazing and put in four great performances for the school and parents. I would like to thank Mrs Chapman, Mrs Breen and Mrs Walton for their help in making the show possible. We were all very touched by the comments from parents on the night and on Facebook. Thank you. We would also like to thank people for donations on the night. These will be used to fund next year's production.

Earlier Finish Time Friday 17th July

REMINDER that school finishes at the earlier time of 2.00pm on Friday 17th July

The after school clubs will run from the earlier finish time.

Achievements Outside School

One of our Year 3 pupils, Layla, has featured in a Lancaster Guardian article. She participated in the Blue Influencer environmental initiative in Lancaster.

The group successfully secured funding and installed a water fountain along Morecambe Promenade to encourage people to refill their bottles and cut down on plastic usage. Layla

did an amazing job giving the opening speech about reducing plastic waste in front of the council leader and the crowd.

Please find attached a link to the article below.
